Dear Dr. Sanchez Sanchez:

I am pleased to transmit to you the findings of the Engineering Accreditation Commission (EAC) of ABET with respect to the evaluation conducted for Universidad Nacional de San Agustin during 2021–2022. Each of ABET's commissions is fully authorized to take the actions described in the accompanying statement under the policies of the ABET Board of Directors.

We are pleased that your institution has elected to participate in this accreditation process. This process, which is conducted by approximately 2,000 ABET volunteers from the professional community, is designed to advance and assure the quality of professional education. We look forward to our continuing shared efforts toward this common goal.

Sincerely,

William J. Wepfer
President
